¹ The Corporation for Public Broadcasting has filed a lawsuit in the District of Columbia District Court on March 13, 2025, contending that FEMA's manual payment review process for NGWSGP awards was arbitrary and capricious in violation of the Administrative Procedures Act. If FEMA's recommended approach to categorizing the NGWSGP as "Cleared by FEMA" is approved, FEMA will make appropriate payments to the CPB using the manual payment review process.

* ULOs are as of Jan. 28, 2025.

** Chart updated with revised figures. After further review, inaccuracies were identified in previous data that have now been corrected.⁴ Previous FMA Swift Current number reflected unobligated amount rather than unliquidated.

*** Sanctuary jurisdiction conditions would apply to Transit Security Grant Program (TSGP) and not Intercity Passenger Rail (IPR).

³ For EFSP-H, all spending periods for subawards have expired and the provision of services under the sunset program has ended. The remaining amount is funding reserved for management and administration (approximately \$4 million) for the grantee and funds returned by the board.

TABLE B: Summary of Unliquidated Obligation (ULO) by Recommended Risk Determination

FEMA is reviewing all grants at a programmatic level, and also at the individual grant award level to understand the existing information available, and where additional research within the system can be conducted or where information from recipients will need to be collected. As the policy decisions and process are under development, FEMA has begun and will continue the individual grant award manual payment review process in preparation for the approach and methodology being approved. This manual review process requires significant staff time, but once the backlog is cleared, the process will operate on a much shorter processing time.

*This estimate includes the approximately 1,450 payment requests already submitted in FEMA grants systems only. It is not inclusive of the total ULO because payment requests will continue to be submitted for these programs as the work is completed throughout the period of performance, which for some programs may be up to three years.

Background/Purpose

On Feb. 19, 2025, Secretary Noem issued a memorandum *Restricting Grant Funding for Sanctuary Jurisdictions* and directed all components to review all federal financial assistance awards to determine if Department funds, directly or indirectly, are going to sanctuary jurisdictions (hereinafter “S1 Memo”).
